

How to report your copies

Every time you make copies for the classes you teach; you simply make an extra copy and send it to us with source indications. This applies to paper copies as well as digital copies.

DIGITAL COPIES

1. Open the link you have received from the school administration.
2. Upload the copies you wish to report.
3. Fill out the form with information about each copy.
4. Send the files to us with one click.

OR

1. Open an e-mail and attach the copies you wish to report.
2. Write the name and number of the school in the subject field.
3. Provide information about each copy as well as the number of pupils who have received or seen the copy.
4. Send the e-mail to kopi@tekstognode.dk.

PAPER COPIES

1. Make an extra copy for us when you prepare your lessons.
2. Provide information about the copy as well as the number of pupils who have received or seen the copy.
3. Place it in the tray by the photocopier.
